

RENGALO, MAKAYISIA

Hosted by: Dalat International School

Dalat is proud to welcome all the ACSC teams to our campus. Our school has called this location home since 1971. For many years, this property belonged to the British military that served as an R & R destination. You will notice the construction project in the middle of campus. That is the beginning of a renovation project that will result in a new soccer field at the center of campus. Currently, we have 780 students from 21 different countries here at Dalat. The surrounding neighborhood is called Tanjung Bunga (cape flower) and has some of the best food on this side of the island. On behalf of the staff and students,

I want to express our excitement and anticipation for a great week of volleyball. We hope you have a great time at our school.

Good luck this week!

... IT'S GREAT TO HAVE YOU IN PENANG!

Brendan van Rensburg Athletic Director Dalat International School
