TOURNAMENT RULES/PROCEDURES

ASCS Soccer guidelines

TOURNAMENT RULES/PROCEDURES

Tournament rules and procedures will be followed according to the ACSC Handbook.
Game ball: Adidas FIFA World Cup 26 Trionda Pro Ball

SOCCER

I. <u>Rule Book: F.I.F.A.</u>.

Variation: Unlimited substitutions.
Pool play and round robin will be 30-minute halves.
Play-off games will be 35-minute halves.

II. <u>ACSC Traveling Squad</u>: 18 players.

III. Tournament Format:

The following is the ACSC Soccer format:

A. If there are eight teams they will be divided in two pools. They will play a round-robin format within their pool. The pool play will be followed by a modified single elimination play-off of all 8 teams. Match-ups in the bracket will be as follows: A1 vs B4, B2 vs A3, A2 vs B3, B1 vs A4. After their first loss teams will play for placement. Seeding will be determined based on previous year tournament results. Pool A: 1, 4, 5, 8. Pool B: 2, 3, 6, 7. Invited teams will be seeded at the bottom.

B. If there are 7 teams there will be a full round robin with the standings to be determined by the win-loss record and the tie-breakers. Teams are expected to play all games unless they do not have enough players. If a team forfeits a game and does not play, all games played by that team will be nullified. There is a minimum of 7 players that can start a game (FIFA).

C. If there are 5 or 6 teams they will play a round robin format in the first round and have a single game play-off between 1-2, 3-4, 5-6.

D. Tied matches in all play-off matches (except the championship game) will have two 5- minute periods of overtime followed by a penalty kick shoot-out if the score is still tied.

E. A tie in the championship game will have two 10-minute halves. If still tied, they will use a penalty shootout to determine the winner.

F. Yellow Card/Red Card:
If a player receives a red card in any game, that player may not play in the next game. Yellow cards do accumulate from game to game. A player receiving three yellow cards will miss the next game. Suspensions carry over to the next ACSC soccer tournament if a red card takes place in the team's final match.

G. ACSC Round Robin/Pool Play Tiebreaker Procedures:
Win = 3 points, Draw = 1 point, Loss = 0 points

1. Head-to-head result
2. Goal differential between tied teams (no credit for more than 5 goal margin)
3. Goal differential in all games (no credit for more than 5 goal margin)
4. Goals allowed between tied teams
5. Goals allowed in all games
6. Goals scored among tied teams (no credit for more than 5 goals).
7. Goals scored among all teams (no credit for more than 5 goals).
8. If there are still two or three teams tied at the end of all these tiebreakers, the affected teams will have an elimination penalty shoot-out. If there are three teams a coin flip will determine the first two teams, with the loser of the shoot-out being eliminated and the winner shooting out with the remaining team.

**Once the first tiebreaker is resolved, separating one team, and a tie still exists, revert to #1 to begin the tiebreak process to settle the remaining teams.*
