PHONE POLICY ON CAMPUS

ICS enforces a policy that restricts student cell phone use on campus. We ask visiting schools to help us uphold this environment by ensuring their students minimize phone use during their visit. Specifically, students should refrain from using phones while walking around campus or watching games. Phones may be used freely inside the athletes' room.

CAMPUS ACCESS & SECURITY

To maintain campus security, all visiting adults must present a valid ID (such as a Teacher ID or government-issued ID) at check-in. ICS will provide tournament lanyards, which serve as your daily access pass while on campus. Visiting coaches and student-athletes are welcome to use designated ground-floor to 2nd-floor areas for studying and Wi-Fi access; however, exploring other parts of the campus beyond the 2nd floor is strictly prohibited. To support our campus safeguarding policies, we kindly ask all visitors, especially parents and adult spectators, to use the designated adult restrooms provided. Please follow all posted signage on campus and refrain from using student-only facilities.

MEDICAL

ICS medical personnel will be on campus to manage emergency first aid and acute injury evaluations during the event. Visiting teams are expected to bring their own medical supplies, including athletic tape and pre-wrap. While our staff can assist with basic icing and emergency care, visiting teams are responsible for their own pre-game taping/strapping and routine athlete care.

Lunch: *Served on campus by Sodexo catering. Student-athletes and coaches can choose from 2–3 menu options in a reserved cafeteria section.*
